EXECUTIVE ORDER NO. 043, S-2023

REORGANIZING THE MUNICIPAL EPIDEMIOLOGY AND SURVEILLANCE UNIT (MESU) AND DESIGNATING THE DISEASE SURVEILLANCE OFFICER (DSO) OF THE MUNICIPALITY OF ASINGAN, PANGASINAN, AND FOR OTHER PURPOSES

WHEREAS, monitoring, surveillance, investigation of, and response to health threats are vital capabilities for an effective health system, and the World Health Organization (WHO) and International Health Regulations (IHR) 2005 require its member States to strengthen core surveillance and response capacities at the primary, intermediate and national level, as well as at designated international ports, airports and ground crossings.

WHEREAS, Section 16 of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, provides, that "Every local government unit shall exercise the powers expressly granted, those necessarily implied therefrom, as well as powers necessary, appropriate, or incidental for its efficient and effective governance, and those which are essential to the promotion of the general welfare... by promoting health and safety of the people... and preserving the comfort and convenience of their inhabitants";

WHEREAS, Chapter IV, Section 17 of Republic Act No. 11223, otherwise known as the "Universal Health Care (UHC) Act", together with its Implementing Rules and Regulations, states that an accurate, sensitive, and timely epidemiologic surveillance systems is one of the minimum components of province-wide and city-wide health care systems;

WHEREAS, Section 4 (b) of Republic Act No. 11332 otherwise known as the "Mandatory Reporting of Notifiable Diseases and Health Events of Public Health Concern Act", aims to ensure the establishment and maintenance of a relevant, efficient and effective disease surveillance and response system at the national and local levels;

WHEREAS, Section 4 (e), *supra*, aims to establish effective mechanisms for strong collaboration with national and local government health agencies to ensure proper procedures are in place to promptly respond to reports of notifiable diseases and health events of public health concern, including case investigations, treatment, and control and containment, including follow-up activities;

WHEREAS, Section 7 (d) of Republic Act No. 11292 otherwise known as the "Seal of Good Local Governance (SGLG) Act of 2019", states that one of the indicators included in the LGU's capability to effectively implement and deliver health services, information systems, evidence-based health promotion and protection policies... to advance population health and individual well-being... and improve health status throughout the life course, is "establishing local surveillance and epidemiology systems to monitor health service delivery";

WHEREAS, there is a necessity to introduce changes to Executive Order issued by this Office and reorganize the Local Epidemiology and Surveillance Unit to reflect the updated and more comprehensive approach to health development and to create a point for reliable health service delivery, data banking, and effective disease surveillance in the locality;

NOW, THEREFORE, I, Engr. CARLOS F. LOPEZ, JR., Municipal Mayor of Asingan, Pangasinan, premises considered, by virtue of the powers vested in me and by expressed authority provided for by law to the Local Chief Executive, do hereby order the Reorganization of the Municipal Epidemiology and Surveillance Unit (MESU) of the Municipality of Asingan, Pangasinan.
